Essex County TRIAD

The Essex County TRIAD is a community safety initiative that focuses on empowering, educating and improving the safety, security and peace of mind of the senior population.

The goal of TRIAD is to:

- Reduce criminal activity, which targets the senior community.
- Alleviate senior's fear of victimization, build confidence and improve their quality of life.
- Enhance the delivery of law enforcement services to the senior population.

What is TRIAD?

TRIAD consists of a partnership, which involves:

- The Sheriff & District Attorney
- The Police & Fire Chief
- The Council on Aging and supportive services in each community.
- Seniors

How does TRIAD work?

Each community establishes its own, TRIAD Council that assesses and addresses the needs of the senior community.

The TRIAD council is presided over by a chairperson, vice chairperson and secretary who are active seniors in the community.

The establishment of TRIAD councils empowers local seniors to assist members of their community by creating, organizing and operating various programs throughout the community.
